September 15<sup>th</sup>, 2023

Dear Lee's Ford Family,

Thank you for being part of another fantastic season on Lake Cumberland! As the 2023 season draws to a close, we have already turned our attention towards preparing for a successful lake season next year. This season has brought some improvements that we know our customers have welcomed, like the new bath house and concrete staircase access to the cruiser docks.

For the upcoming season we want to continue to improve our facilities while maintaining a keen focus on cleanliness and excellent customer service for our slip holders. Good communication is key to effective customer service, so we will be adding a 'maintenance request' function on our website so that our slip holders can make us aware if they have any issues such as water leaks, need boards replaced, or the like. Continuous improvement is our mantra, and we always appreciate constructive ideas and feedback from customers about how we can make the dock a safe, fun, and enjoyable environment for everyone.

You will find our 2024 Slip Contract attached. This year we will be utilizing SignNow (in place of DocuSign) for slip contract renewals. The slip rates are located on the last page of the slip agreement. On page 2 of the slip agreement, there are 4 different payment options for you to choose from. If you pay on or before December 31<sup>st</sup>, 2023 you will receive a 5% discount on your overall slip rate, just like last year. However, we are excited to announce that we are offering an additional early pay discount. This will provide an extra 2% discount (in addition to the existing 5% early pay discount) off your annual slip fee for those who sign their slip contract and remit payment on or before October 31<sup>st</sup>, 2023 – that's a total of a 7% discount!

We are also making changes to how we manage customer credit accounts. Beginning with the 2024 season and moving forward we will require a credit card on file for any customer who wants to utilize a charge account at the ship store. We will reserve the right to charge the card on file to bring the account into balance if there are charges that are beyond 30 days past due. This has been part of the slip contract (on page 7) for numerous years and will help us ensure that all customer charge accounts remain in good standing.

If you have any questions or concerns, please do not hesitate to contact a staff member here at Lee's Ford to assist you.

**Reminder:** We must have updated insurance, registration, and title for you to be able to pick up your parking pass for the new season, beginning April 2024. (Please send all documents to [leesfordcontract@leesfordmarina.com](mailto:leesfordcontract@leesfordmarina.com))

Thank you,

*Jimmy & Lee's Ford Marina Management*

## ADDITIONAL TERMS

Lee's Ford Dock, Inc., a Kentucky corporation, hereinafter called "*Marina*" or "*we*", does hereby let to the undersigned boat owner, hereinafter called "*Owner*" or "*you*", one space for each boat as described above and which space shall be assigned by Marina in its discretion, subject to such rules and regulations as the Marina may make from time to time respecting the use thereof. It is understood by Owner that any reference to a boat or vessel herein, whether singular or plural, is applicable to each and every vessel moored at Marina.

- 1) **THIS AGREEMENT**: is for the *2024 boating season* unless modified or pro-rated in writing. It is mutually understood that the charges are based on an annual, seasonal, or monthly rental and that the rental fee for this space is payable in advance. The rental period will be for the stated dates for the type of contract selected. If this Agreement is terminated by the Marina due to Owner's breach of any term of this Agreement or a breach of the Marina's rules or regulations, whether by Owner or a guest of Owner, Owner will not be entitled to a return of any portion of the rental fee, regardless of whether or not the Marina relets Owner's slip. This will not be deemed a penalty or forfeiture, the parties agreeing that such unreturned rent is to compensate the Marina for the administrative and other costs associated with termination of this Agreement. By this reference, the rates and terms on Marina's 2024 Rate Card, attached page 8, are hereby incorporated into this Agreement and will establish the rental amount for your slip as set forth on the 2024 Rate Card. If Owner's boat remains in the slip after the end of this Agreement's term (or earlier termination of this Agreement) and Owner does not renew this Agreement in writing or enter a new agreement for rental of that slip from the Marina prior to the end of such rental year, Owner will be obligated to pay the Marina its daily transient rate for such slip from the end of this Agreement (or earlier termination) until a new agreement is entered or the boat is removed. If at any point during the term of this Agreement, owner is forty-five (45) or more days late with any payment to Marina, owner will be obligated to pay the Marina its daily transient rate retroactive to the original due date, and forward until the balance due is paid in full.
- 2) **MOORAGE RENTAL RATES**: are based on storage for the boat or boats described above. Any and all secondary auxiliary boats must have an assigned space subject to a storage charge for said space. This agreement is for the use of boat storage space only, and the right to use such storage space is not transferable. Owner's sale or replacement of the boat registered on this document does not constitute grounds for the termination of this Agreement. If Owner desires to transfer the slip to another boat owner, it must request the Marina's consent in writing. If the Marina consents, any new boat to occupy a slip may not be larger than the boat originally registered under this Agreement and the new boat's owner must enter a new slip rental agreement with the Marina (but the original Owner will not be relieved of its obligations hereunder).
- 3) **PERSONAL INJURY & PROPERTY LOSS**: The storage space is to be used at the sole risk of Owner. Owner, for himself or herself, heirs and assigns, hereby agrees to save the Marina harmless from any and all liability or damages for personal injury to himself or herself, family, employees, invitees, guests and agents arising out of, or in connection with, the condition or use of the Owner's boat, motor, and accessories, or the use of the Marina premises or facilities. The Owner, for himself or herself, heirs or assigns, hereby releases and agrees to indemnify and hold harmless the Marina from any and all liability for, or loss or damage to the above-described property or the contents thereof, due to fire, theft, collision, windstorm, accident, or like causes. The Marina is not considered under this agreement as an insurer of the Owner's property, and all parties expressly agree that, at no point during the term of this agreement, shall a bailor/bailee relationship exist unless otherwise agreed upon in writing. The Owner is responsible for and shall indemnify Marina for any and all loss or damage to the slip, dock or other Marina property (or property of third parties) caused by Owner, its guests or boat, such indemnity shall include Marina's costs and expenses (including reasonable attorneys' fees).
- 4) **OWNER'S LIABILITY**: The Owner shall be required to carry bodily injury and property damage liability insurance in an amount sufficient to cover any and all damage caused by, or in the proximity of, the Owner's vessel.
- 5) **ELECTRICAL SERVICE**: If electricity is supplied to the rental space, a charge for electricity used, plus a meter charge, will be assessed and billed monthly. Any and all electrical lines, fixtures, accessories etc., which are connected directly or indirectly to Marina provided electrical supply must conform to current U.S. Coast Guard regulations and/or applicable state and local electrical codes as may pertain to marinas. 30-amp service requires 10-3 S.O. marine cable and 50-amp service requires 6-4 S.O. marine cable and connections. Service breakers must be turned OFF when the boat is unplugged or away from its slip space.
- 6) **ADDITIONAL UTILITIES**: (a) Fresh water service is available during mild weather months only and is supplied at no charge to Owner. It is required that water be shut off when the boat is unoccupied. Owners found to abuse the Marina's fresh water supply may be billed for those abuses; (b) Connection to local cable television services, where provided, is available at no charge to Owner. An approved marine cable television connection is required to access this service; (c) Telephone service is not provided nor is it guaranteed by the Marina. Phone connections and service may only be provided by Marina's designated service provider. Connections to telephone service require a marine approved, weatherproof cable and connections along with a marine receptacle installed ship side. Any and all connections must be approved by the Marina in advance of installation or use.

- 7) **ADDITIONS OR ALTERATIONS**: of a slip or walkway are expressly prohibited unless approved in writing by the Marina. In the event Marina approves an addition or alteration, said addition becomes the property of the Marina upon its installation. All unauthorized additions or alterations will be removed with the Owner being assessed for the removal.

**SLIPS ARE FOR THE PRIVATE USE OF OWNERS:**

- (a) Subleasing of slips, transfer of boats between slips or from one slip space to another, or leasing, renting or Chartering of boats, shall not be allowed except with written prior approval from the Marina.
  - (b) The Marina may reassign, for any reason and in its discretion, the slip assigned to the Owner, to a slip of equal or greater size. If the Marina requests, the Owner shall move the Owner's boat to a new assigned slip.
  - (c) **BOATS OFFERED FOR SALE** within the marina lease area must be registered with the Marina's broker, Top Shelf Marine Sales, Inc. d/b/a BuyaBoat.net. Those vessel Owners choosing not to list with the Marina's broker of record are prohibited from displaying signage promoting the sale of said boat. Solicitation of customers is also prohibited within the Marina lease area (see paragraph (f) section 10 under Harbor Rules and Regulations). Owners choosing not to list with the Marina's broker of record may advertise the sale of their vessel in print or other media not located within the Marina lease area. Prospective buyers responding to Owner promotion and seeking access to the boat must be accompanied personally by Owner and may not be accompanied by any person. Unless prior written approval is granted by the Marina Agents/Brokers and/or like Associations will be prohibited to operate within the Marina lease area. The rules set forth in this section apply to the promotion and sale of boats, additions, and accessories to include merchandise and or services.
  - (d) Owner agrees that during any period the slip assigned to Owner is vacant, that the Marina may moor boats in such slip in Marina's ordinary course of business (e.g. during the process of moving boats, performing maintenance, etc.), but the slip will be returned to Owner's use upon the return of Owner's boat. Owner will not owe Marina for any electric used by the Marina at the slip and Marina will not owe Owner any rent or other sum for such use.
  - (e) Owner agrees to place, in areas on the boat acceptable to the Marina that are visible from the header pier, boat identification stickers (e.g. stickers with Marina boat identification numbers) provided by the Marina. The purpose of such stickers is to permit the Marina to determine if boats are moored in their proper slips. Upon receipt of this signed Agreement, boat identification stickers will be mailed out to the Boat Owner.
  - (f) Anyone that wants to move or exchange slips must notify marina management and fill out a slip transfer form. If this is not followed the Marina is not responsible for electric meter reading errors or anything else that becomes of not following the proper process.
- 8) **EVENT OF EMERGENCY**: Owner agrees that in the case of emergency or maintenance work in the area of the slip space, the Marina may move the boat from said rented space to another mooring within the marina.
- 9) **HARBOR RULES AND REGULATIONS**: Owner agrees to abide by the following general rules and regulations, and such additional rules and regulations as may hereafter be published and or posted by the Marina:
